Education in the Health Sciences

Webinar / Teleconference Child Passenger Safety

Join your colleagues for a presentation by and discussion with:

Speaker: Aditya Belwadi, Ph.D. - Scientist II and Thrust Lead, Center for Injury Research and Prevention, The Children's Hospital of Philadelphia

Moderator: Mary Jo Clark, MD, FAAP - Children's Community Pediatrics - Mountain View, Pediatric Advisor to the PA AAP Traffic Injury Prevention Project

Overview of Pediatric Injury Biomechanics: A Focus on Side and Rollover Crashes

Date: Wednesday, February 28, 2018 Time: 12:15 - 1:30 PM

Register On-line: <https://www.surveymonkey.com/r/LetsTalkCPSRegistration>

Or Send Completed Form by Fax: 484-446-3036 or Email: aosterhuber@paaap.org

Webinar link and dial in number will be emailed prior to the event.

Intended Audience: Pediatricians, Physician Assistants, Nurse Practitioners, Nurses, Office Managers, Office Staff and certified child passenger safety technicians/instructors

Objectives — At the conclusion of the activity, participants will be able to:

- Explain the history of crash testing and biomechanics.
- Review the importance of child restraint systems and how they work.
- Understand the role of crash direction: frontal, side and rollover.
- Discuss the need to get involved in child passenger safety.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Pittsburgh School of Medicine and the Pennsylvania Chapter of the American Academy of Pediatrics. The University of Pittsburgh School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live educational activity for a maximum of 1.5 AMA PRA Category I Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Other health care professionals attending this program will receive a Certificate of Attendance confirming 1.0 hours of continuing education in a CME accredited program. For nurses, these hours may be considered eligible for completing the 30 hours of continuing education required for biannual nursing re-licensure in Pennsylvania.

Faculty Disclosure: Faculty for this activity have been required to disclose all relationships with any proprietary entity producing health care goods or services, with the exemption of non-profit or government organizations and non-health care related companies.

Disclosure: No members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships with any proprietary entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients to disclose.

This webinar/teleconference has been pre-approved for 1.0 CEUs for CPS Re-Certification by the National Safe Kids Certification Program.

This program is funded by a grant from the Pennsylvania Department of Transportation.

**Handouts will be posted on PA TIPP website at www.pakidstravelsafe.org by February 20, 2018.
