Join us to learn more about this topic!

“The Standard of Care for Transporting Students: A Legal Overview”

Wednesday, March 14, 2018 from 12:15 pm—1:30 pm

Richard Kelly, Esq., RC Kelly Associates—Specializes in HR issues and safe and effective school bus transportation and risk management issues.

Moderator: Angelia M. Gillis, PA Department of Transportation Driver Qualifications Section Manager, Bureau of Driver Licensing

Learning Objectives:

- ◆ Understand the evolving laws that affect the establishment and apportionment of liability when injuries occur in a student transportation environment.
- ◆ Identify how to establish best practices in risk management related to student transportation.
- ◆ Understand the allocation of responsibilities for School Bus Contractors, School Districts, Intermediate Units, parents and students.

This Webinar has been pre-approved as an on-line educational session to meet the Community Education CPS re-certification requirement.

Webinar link and dial in number
will be emailed prior to the event.
