PA Chapter American Academy of Pediatrics

Let's Talk: Heads, Shoulders, Knees and Toes: How Pediatric Anatomy Affects Injuries

February 24, 2022

12:15 PM - 1:30 PM

---

**Speaker: Julie Mansfield, CPST, Research Assistant Professor at the Injury Biomechanics Research Center, Ohio State University**

**Accreditation**

In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh and the PA Chapter American Academy of Pediatrics. The University of Pittsburgh is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Credit Designation**

The University of Pittsburgh designates this live activity for a maximum of 1.25 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nursing (CNE)**

The maximum number of hours awarded for this Continuing Nursing Education activity is 1.25 contact hours.

**Other Healthcare Professionals**

Other health care professionals will receive a certificate of attendance confirming the number of contact hours commensurate with the extent of participation in this activity.

**Disclosure Statement**

No members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity have relevant financial relationships with any entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients to disclose.

**Disclaimer Statement**

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.
